

# Tejas Pawar

## Industrial Designer

I am a curious guy with a thirst for knowledge, eager to learn, explore, experiment, and fail faster.

"An old problem needs a new solution, or else someone would have already solved it."

## EXPERIENCE

### Elephant Design Pvt. Ltd.

Graduation Project Intern | 8 months

Oct 2022 - Jul 2023 | Pune

- Worked solo on creating a mobility solution for the elderly, successfully implemented various aspects of design research, and synthesized data and ideation methods.
- Conducted brainstorming sessions with various teams for ideation purposes and developed 1:1 sketches and 3D models.

### The Embassy of Switzerland

Industrial designers | 4 months

Dec 2021 - Mar 2022 | Delhi

- Engaged as one of three industrial designers in a prestigious collaboration project between Zurich University of the Arts, the National Institute of Design (AP), and the Treecraze Foundation, facilitated by the Embassy of Switzerland for "Swiss it on Wheels 2022."
- The pivotal role involved the meticulous design of the activity and the activity box and the oversight of the manufacturing process for the accompanying activity box.

### Samsung Internship

UI UX designer | 2 months

Oct 2021 - Nov 2021 | Bangalore

- Worked on the development of Ultra-Short Narratives as part of an institute MOU.
- Served as a UX Designer and spearheaded a team of four colleagues throughout the entire project journey, from opportunity identification to the delivery of outcomes. Received a Certificate of Excellence from the Samsung PRISM team as recognition for my contributions.

---
